

Assumptions:

1. Training can be started after documentation is complete. As documentation may also have some limitations of the product and how to use it.
2. Training can be provided by documentation engineer.

Start and end dates for project 1 are 12 Feb, 2018 and 22 May, 2018 respectively.

Start and end dates for project 2 are 05 March, 2018 and 02 July, 2018 respectively.

Project 2 cannot finish within 2 weeks of completion date of project 1 as there is significant overlap between the coding, testing and documentation phases of the two projects.
